**COUNCIL COMMON POSITION 2006/.../CFSP**

**renewing restrictive measures against Burma/Myanmar**

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty on European Union, and in particular Article 15 thereof,

Whereas:

- (1) On 26 April 2004, the Council adopted Common Position 2004/423/CFSP renewing restrictive measures against Burma/Myanmar<sup>1</sup>. These measures replaced the measures imposed by Common Position 2003/297/CFSP<sup>2</sup>, which had replaced the restrictive measures initially adopted in 1996<sup>3</sup>.
- (2) On 25 April 2005, the Council adopted Common Position 2005/340/CFSP extending restrictive measures against Burma/Myanmar<sup>4</sup>. These measures expire on 25 April 2006.
- (3) In view of the current political situation in Burma/Myanmar, as witnessed by:
  - the failure of the military authorities to enter into substantive discussions with the democratic movement concerning a process leading to national reconciliation, respect for human rights and democracy,
  - the failure to allow a genuine and open National Convention,
  - the continuing detention of Daw Aung San Suu Kyi, other members of the National League for Democracy (NLD) and other political detainees,
  - the continued harassment of the NLD and other organised political movements,

---

<sup>1</sup> OJ L 125, 28.4.2004, p. 61. Common Position as last amended by Common Position 2005/340/CFSP (OJ L 108, 29.4.2005, p. 88).

<sup>2</sup> OJ L 106, 29.4.2003, p. 36. Common Position as last amended by Council Decision 2003/907/CFSP (OJ L 340, 24.12.2003, p. 81).

<sup>3</sup> Common Position 96/635/CFSP (OJ L 287, 8.11.1996, p.1). Common Position as last amended by Common Position 2002/831/CFSP (OJ L 285, 23.10.2002, p. 7).

<sup>4</sup> OJ L 108, 29.4.2005, p. 88.

- the continuing serious violations of human rights, including the failure to take action to eradicate the use of forced labour in accordance with the recommendations of the International Labour Organisation's High-Level Team report of 2001 and recommendations and proposals of subsequent ILO Missions; and
- recent developments such as increasing restrictions on the operation of international organisations and non-governmental organisations,

the Council considers it fully justified to maintain the restrictive measures against the military regime in Burma/Myanmar, those who benefit most from its misrule, and those who actively frustrate the process of national reconciliation, respect for human rights and democracy.

- (4) Accordingly the scope of the visa ban and assets freeze should be maintained to include members of the military regime, the military and security forces, the military regime's economic interests and other individuals, groups, undertakings or entities associated with the military regime who formulate, implement or benefit from policies that impede Burma/Myanmar's transition to democracy, and their families and associates.
- (5) The scope of these measures should also continue to include a prohibition on making financial loans or credits available to, and on acquiring or extending a participation in, Burmese state-owned enterprises.

- (6) The Council considers that, although certain measures imposed by this Common Position are directed at persons associated with the Burmese/Myanmar regime and members of their families, children under 18 should not, in principle, be targeted.
- (7) The implementation of the ban on high level visits at the level of Political Director and above should be maintained without prejudice to cases where the European Union decides that the visit is directly in pursuit of national reconciliation, respect for human rights and democracy in Burma/Myanmar.
- (8) In the event of a substantial improvement in the overall political situation in Burma/Myanmar, the suspension of these restrictive measures and a gradual resumption of cooperation with Burma/Myanmar will be considered, after the Council has assessed developments.
- (9) Action by the Community is needed in order to implement certain measures,

HAS ADOPTED THIS COMMON POSITION:

*Article 1*

1. The sale, supply, transfer or export of arms and related materiel of all types, including weapons and ammunition, military vehicles and equipment, paramilitary equipment and spare parts for the aforementioned, as well as equipment which might be used for internal repression, to Burma/Myanmar by nationals of Member States or from the territories of Member States or using their flag vessels or aircraft shall be prohibited whether originating or not in their territories.

2. It shall be prohibited:

- (a) to provide technical assistance, brokering services and other services related to military activities and to the provision, manufacture, maintenance and use of arms and related materiel of all types, including weapons and ammunition, military vehicles and equipment, paramilitary equipment, and spare parts for the aforementioned, as well as equipment which might be used for internal repression, directly or indirectly to any natural or legal person, entity or body in, or for use in Burma/Myanmar;
- (b) to provide financing or financial assistance related to military activities, including in particular grants, loans and export credit insurance for any sale, supply, transfer or export of arms and related materiel, as well as equipment which might be used for internal repression, or for the provision of related technical assistance, brokering and other services directly or indirectly to any person, entity or body in, or for use in Burma/Myanmar.
- (c) to participate, knowingly and intentionally, in activities the object or effect of which is to circumvent the prohibitions referred to in points (a) or (b).

## *Article 2*

1. Article 1 shall not apply to:

- (a) the sale, supply, transfer or export of non-lethal military equipment, or of equipment which might be used for internal repression, intended solely for humanitarian or protective use, or for institution-building programmes of the UN, the EU and the Community, or of materiel intended for EU and UN crisis management operations;
- (b) the sale, supply, transfer or export of demining equipment and materiel for use in demining operations;
- (c) the provision of financing and financial assistance related to such equipment or to such programmes and operations;
- (d) the provision of technical assistance related to such equipment or to such programmes and operations,

on condition that such exports have been approved in advance by the relevant competent authority.

2. Article 1 shall not apply to protective clothing, including flak jackets and military helmets, temporarily exported to Burma/Myanmar by UN personnel, personnel of the EU, the Community or its Member States, representatives of the media and humanitarian and development workers and associated personnel for their personal use only.

### *Article 3*

Non-humanitarian aid or development programmes shall be suspended. Exceptions shall be made for projects and programmes in support of:

- (a) human rights, democracy, good governance, conflict prevention and building the capacity of civil society;
- (b) health and education, poverty alleviation and in particular the provision of basic needs and livelihoods for the poorest and most vulnerable populations;
- (c) environmental protection and, in particular, programmes addressing the problem of non-sustainable, excessive logging resulting in deforestation.

The projects and programmes should be implemented through UN agencies, non-governmental organisations, and through decentralised cooperation with local civilian administrations. In this context, the European Union will continue to engage with the government of Burma over its responsibility to make greater efforts to attain the UN Millennium Development Goals.

Projects and programmes should, as far as possible, be defined, monitored, run and evaluated in consultation with civil society and all democratic groups, including the National League for Democracy.

*Article 4*

1. Member States shall take the necessary measures to prevent the entry into, or transit through, their territories of:
  - (a) senior members of the State Peace and Development Council (SPDC), Burmese authorities in the tourism sector, senior members of the military, the Government or the security forces who formulate, implement or benefit from policies that impede Burma/Myanmar's transition to democracy, and members of their families, being the natural persons listed in Annex I;
  - (b) serving members of the Burmese military of the rank of Brigadier-General and above and members of their families, being the natural persons listed in Annex I.
2. Paragraph 1 will not oblige a Member State to refuse its own nationals entry into its territory.
3. Paragraph 1 shall be without prejudice to cases where a Member State is bound by an obligation of international law, namely:
  - (a) as a host country of an international intergovernmental organisation;
  - (b) as a host country to an international conference convened by, or under the auspices of, the United Nations; or
  - (c) under a multilateral agreement conferring privileges and immunities, or

(d) under the 1929 Treaty of Conciliation (Lateran pact) concluded by the Holy See (State of the Vatican City) and Italy.

4. Paragraph 3 shall be considered as applying also in cases where a Member State is host country of the Organisation for Security and Cooperation in Europe (OSCE).
5. The Council shall be duly informed in all cases where a Member State grants an exemption pursuant to paragraphs 3 or 4.
6. Member States may grant exemptions from the measures imposed in paragraph 1 where travel is justified on the grounds of urgent humanitarian need, or on grounds of attending intergovernmental meetings, including those promoted by the European Union, or hosted by a Member State holding the Chairmanship in office of the OSCE, where a political dialogue is conducted that directly promotes democracy, human rights and the rule of law in Burma/Myanmar.
7. A Member State wishing to grant exemptions referred to in paragraph 6 shall notify the Council in writing. The exemption will be deemed to be granted unless one or more of the Council Members raises an objection in writing within two working days of receiving notification of the proposed exemption. In the event that one or more of the Council members raise an objection, the Council, acting by qualified majority, may decide to grant the proposed exemption.

8. In cases where pursuant to paragraphs 3, 4, 6 and 7, a Member State authorises the entry into, or transit through, its territory of persons listed in Annex I, the authorisation shall be limited to the purpose for which it is given and to the persons concerned thereby.

*Article 5*

1. All funds and economic resources belonging to, owned, held or controlled by the individual members of the Government of Burma/Myanmar and belonging to, owned, held or controlled by the natural or legal persons, entities or bodies associated with them as listed in Annex I shall be frozen.
2. No funds or economic resources shall be made available directly or indirectly to or for the benefit of natural or legal persons, entities or bodies listed in Annex I.
3. The competent authority may authorise the release of certain frozen funds or economic resources or the making available of certain funds or economic resources, under such conditions as it deems appropriate, after having determined that the funds or economic resources concerned are:
  - (a) necessary to satisfy the basic needs of persons listed in Annex I and their dependent family members, including payments for foodstuffs, rent or mortgage, medicines and medical treatment, taxes, insurance premiums, and public utility charges;

- (b) intended exclusively for payment of reasonable professional fees and reimbursement of incurred expenses associated with the provision of legal services;
- (c) intended exclusively for payment of fees or service charges for routine holding or maintenance of frozen funds or economic resources;
- (d) necessary for extraordinary expenses, provided that the competent authority has notified the grounds on which it considers that a specific authorisation should be granted, to the other competent authorities and the Commission at least two weeks prior to the authorisation.

The competent authority shall inform the competent authorities of the other Member States and the Commission of any authorisation granted under this Article.

4. Paragraph 2 shall not apply to the addition to frozen accounts of:

- (a) interest or other earnings on those accounts; or
- (b) payments due under contracts, agreements or obligations that were concluded or arose prior to the date on which those accounts became subject to restrictive measures,

provided that any such interest, other earnings and payments continue to be subject to paragraph 1.

5. The following shall be prohibited:
- (a) the granting of any financial loan or credit to Burmese state-owned enterprises as listed in Annex II, or the acquisition of bonds, certificates of deposit, warrants or debentures, issued by these enterprises;
  - (b) the acquisition or extension of a participation in Burmese state-owned enterprises as listed in Annex II, including the acquisition in full of such enterprises and the acquisition of shares and securities of a participating nature.
6. The provisions of paragraph 5(a) shall be without prejudice to the execution of an obligation arising from contracts or agreements concluded before 25 October 2004.
7. The prohibition in paragraph 5(b) shall not prevent the extension of a participation in Burmese state-owned enterprises as listed in Annex II, if such extension is compulsory under an agreement concluded with the Burmese State-owned enterprise concerned before 25 October 2004.

#### *Article 6*

High-level bilateral governmental (Ministers and Officials at the level of Political Director and above) visits to Burma/Myanmar shall remain suspended. The Council may, in exceptional circumstances, decide to grant exceptions to this rule.

*Article 7*

Member States shall not permit the attachment of military personnel to the diplomatic representations of Burma/Myanmar in Member States. All military personnel attached to diplomatic representations of the Member States in Burma/Myanmar shall remain withdrawn.

*Article 8*

The Council, acting upon a proposal by a Member State or the Commission, shall adopt modifications to the list set out in Annex I as required.

*Article 9*

This Common Position shall be kept under constant review. It shall be renewed, or amended as appropriate, in particular as regards the Burmese state-owned enterprises listed in Annex II, if the Council deems that its objectives have not been met.

*Article 10*

This Common Position shall take effect on the date of its adoption.

It shall apply for a 12-month period as from 30 April 2006.
