#### **Statement by the Commission on the EUR 225 million increase of the Connecting Europe Facility programme**

As a result of the political agreement between the European Parliament and the Council on the financing of EFSI 2.0 an amount of EUR 275 million will be redeployed from CEF financial instruments, which represents a reduction of EUR 225 million in comparison with the Commission proposal.

The Commission confirms that the financial programming will be revised to reflect the corresponding EUR 225 million increase of the CEF programme.

In the framework of the annual budgetary procedures for the years 2019-2020 the Commission will make the appropriate proposals to ensure an optimal allocation of this amount within the CEF programme.
