

COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 7.8.2007
COM(2007) 463 final

Proposal for a

COUNCIL DECISION

on the signing and provisional application of an additional protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

(presented by the Commission)

EXPLANATORY MEMORANDUM

Two new Member States acceded to the European Union on 1 January 2007. Under Article 6(2) of the Act concerning the accession of the Republic of Bulgaria and Romania and the adjustments to the Treaties on which the European Union is founded (hereinafter the ‘Act of Accession’), the accession of the new Member States to the Agreement on Trade, Development and Cooperation (TDCA) with the Republic of South Africa must be approved by concluding a Protocol to that Agreement. Article 6(2) provides for a simplified procedure, whereby such protocols are to be concluded by the Council of the European Union, acting unanimously on behalf of the Member States, and the third country concerned. This procedure is without prejudice to the Community’s own competences.

Consequently, the Commission has negotiated this Additional Protocol, for the EC part on behalf of the European Community and for the national competence part on behalf of the Member States, on the basis of the negotiating directives adopted by the Council on 23 October 2006, and in consultation with a committee of representatives of the Member States.

The Additional Protocol provides for the necessary technical adaptations of the TDCA that ensue from the accession of the new contracting parties, in particular regarding:

- institutional provisions: the Protocol includes a number of adjustments brought about by the accession of the new Member States to this mixed agreement and an increase in the number of official languages;
- rules of origin: the multilingual provisions in Protocol 1 to the TDCA concerning the definition of the concept of “originating products” and methods of administrative cooperation have been amended to include the languages of the new Member States.

The TDCA provides for trade liberalisation between the European Union and the Republic of South Africa, which in some cases is limited to tariff quotas. These tariff quotas have been reviewed on the basis of traditional trade between the new Member States, on the one hand, and the Republic of South Africa, on the other. Trade flows were found to be insignificant and no adjustments to the tariff quotas were required.

The Protocol referred to above has been negotiated and agreed with the Republic of South Africa.

The current proposal is for a Council Decision on the signing and provisional application of the Protocol.

Proposal for a

COUNCIL DECISION

on the signing and provisional application of an additional protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the Republic of Bulgaria and Romania to the European Union

THE COUNCIL OF THE EUROPEAN UNION,

Having regard to the Treaty establishing the European Community, and in particular Article 310, in conjunction with the second sentence of Article 300(2), first subparagraph, and the second subparagraph of Article 300(3) thereof,

Having regard to the 2006 Act of Accession, and in particular Article 6(2) thereof,

Having regard to the proposal from the Commission,

Whereas:

- (1) The Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, (hereinafter referred to as the “TDCA”), was signed in Pretoria on 11 October 1999. It was concluded on 26 April 2004¹.
- (2) The Treaty concerning the accession of the Republic of Bulgaria and Romania to the European Union (hereinafter referred to as “Treaty of Accession”) was signed in Luxembourg on 25 April 2005.
- (3) On 23 October 2006 the Council authorised the Commission, on behalf of the European Community and its Member States, to negotiate with the Republic of South Africa an Additional Protocol to the Agreement on Trade, Development and Cooperation between the European Community and its Member States, of the one part, and the Republic of South Africa, of the other part, to take account of the accession of the two new Member States to the European Union.
- (4) These negotiations have been concluded to the satisfaction of the Commission.
- (5) Subject to its possible conclusion at a later stage, the Additional Protocol should now be signed on behalf of the European Community and its Member States. The Additional Protocol should be applied on a provisional basis, pending completion of the relevant procedures for its formal conclusion.

¹ OJ L 127, 29.4.2004, p.109
