ANNEX A

**DECISION OF THE COMMITTEE ON GOVERNMENT PROCUREMENT ON  
NOTIFICATION REQUIREMENTS UNDER ARTICLES XIX AND XXII  
OF THE AGREEMENT**

Decision of 30 March 2012

The Committee on Government Procurement,

*Considering* the importance of transparency of laws and regulations relevant to this Agreement, including changes thereto as required by Article XXII:5 of the Agreement;

*Considering* also the importance of maintaining accurate lists of entities covered under a Party's Annexes to Appendix I of the Agreement, in accordance with Article XIX of the Agreement;

*Acknowledging* the challenges to Parties of submitting timely notifications to the Committee of changes to their laws and regulations relevant to the Agreement, as required by Article XXII:5 of the Agreement, and of proposed rectifications to its Annexes to Appendix I, as required by Article XIX:1 of the Agreement;

*Considering* that the provisions of Article XIX of the Agreement distinguish between notifications of proposed rectifications that do not change the mutually agreed coverage provided for in the Agreement and other types of proposed modifications of its Annexes to Appendix I;

*Recognizing* that technological changes have allowed many Parties to make use of electronic means to provide information on their government procurement regimes and to notify Parties of changes to that regime;

*Hereby decides* as follows:

Annual Notifications of Changes in Laws and Regulations

1. Where a Party maintains officially designated electronic media that provide links to its current laws and regulations relevant to this Agreement and its laws and regulations are available in one of the WTO official languages, and such media are listed in Appendix II, the Party may fulfil the requirement in Article XXII:5 by notifying the Committee annually, at the end of the year, of any changes unless such changes are substantive, that is, they may affect the Party's obligations under the Agreement; and in such cases, a notification shall be made immediately.

2. The Parties shall have an opportunity to discuss the annual notification of a Party during the first informal meeting of the Committee in the following year.

Proposed Rectifications of a Party's Annexes to Appendix 1

3. The following changes to a Party's Annexes to Appendix I shall be considered a rectification under Article XIX of the Agreement:

- (a) a change in the name of an entity;
- (b) merger of two or more entities listed within an Annex; and

- (c) the separation of an entity listed in an Annex into two or more entities that are all added to the entities listed in the same Annex.

4. In the case of proposed rectifications to a Party's Annexes under Appendix I covered under paragraph 3, the Party shall notify the Committee every two years, commencing with the entry into force of the Protocol of Amendment to the Existing (1994) Agreement.

5. A Party may notify the Committee of an objection to a proposed rectification within 45 days from the date of the circulation to the Parties of the notification. In accordance with Article XIX:2, where a Party submits an objection, it shall set out the reasons for the objection, including the reasons why it believes the proposed rectification would affect the mutually agreed coverage under the Agreement and therefore the proposed rectification is not subject to paragraph 3. If there is no written objection, the proposed rectifications become effective 45 days after the circulation of the notification, as provided for in Article XIX:5(a).

6. Within four years of the adoption of this Decision, the Parties shall review its operation and effectiveness, and make any necessary adjustments.

**ANNEX B**

ON ADOPTION OF WORK PROGRAMMES**

Decision of 30 March 2012

The Committee on Government Procurement,

*Noting* that pursuant to Article XXII:8(b), the Committee may adopt a decision listing additional work programmes, which the Committee shall undertake to facilitate the implementation of the Agreement and the negotiations provided for in Article XXII:7 of the Agreement;

Decides as follows:

1. The following work programmes are added to the list of work programmes on which the Committee shall conduct future work:

  - (vi) facilitation of SMEs participation in joint bidding (with other large or small suppliers);
  - (vii) measures and policies focused on providing opportunities for SMEs to participate in government procurement (such as enhanced transparency and availability of government procurement information to SMEs; simplifying qualifications for participation in tendering; reducing contract sizes; and ensuring timely payments for deliveries of goods and services); and
  - (viii) the use of government procurement measures and policies to stimulate SME innovation.
- (b) **Compilation of SME Survey by WTO Secretariat:** The WTO Secretariat shall fix a deadline for the transmission of the responses to the questionnaire by all Parties to the WTO Secretariat. Upon receipt of the responses, the Secretariat shall prepare a compilation of the responses and circulate the responses and the compilation to the Parties. The Secretariat shall include a list of Parties with outstanding responses.
- (c) **Exchanges among Parties on Responses to SME Questionnaires:** On the basis of the document prepared by the WTO Secretariat, the Committee shall establish a period for the exchange of questions, requests for additional information, and comments on the responses of the other Parties.

- (a) The Parties shall promote the adoption of the best practices identified in the assessment of the survey to encourage and facilitate participation of SMEs of the Parties in government procurement.

- (b) With respect to other measures, the Committee shall encourage the Parties that maintain such measures to review them with a view to eliminating them or applying them to the SMEs of the other Parties. These Parties shall inform the Committee about the outcome of the review.
- (c) The Parties that maintain other measures shall include the value of the procurement subject to such measures in the statistics that they submit to the Committee pursuant to Article XVI:4 of the Agreement.
- (d) Parties may request the inclusion of such other measures in future negotiations under Article XXII:7 of the Agreement, and such requests shall be favorably considered by the Party maintaining such measures.

**5. Review**

Two years after the entry into force of the Protocol of Amendment to the Existing (1994) Agreement, the Committee shall review the effect of the best practices on expanding the participation of SMEs of the Parties in government procurement, and consider whether other practices would further enhance participation by SMEs. It may also consider the effect of other measures on the participation by SMEs of the other Parties in the government procurement of the Parties maintaining such measures.

- (b) whether the statistical data that it collects includes the country of origin of the goods or services that are procured, and if so, how it determines or estimates the country of origin, and the technical impediments in collecting country of origin data;
