COMMISSION OF THE EUROPEAN COMMUNITIES

Brussels, 10.10.2007
COM(2007) 582 final

Proposal for a

COUNCIL DECISION

**fixing the financial contributions to be paid by the Member States contributing to the
European Development Fund (first instalment for 2008)**

(presented by the Commission)

EXPLANATORY MEMORANDUM

Since the entry into force of the Financial Regulation for the 9th European Development Fund (EDF) the Council decides, on a proposal from the Commission, on each of the three instalments to be paid by the Member States for the EDF. In the case of the 9th EDF instruments managed by the European Investment Bank (EIB), the Member States pay their contributions directly to the EIB. The contributions for other instruments are paid to the Commission.

In accordance with Article 121 of the 9th EDF Financial Regulation, the EIB has sent the Commission its estimates of commitments and payments under the instruments it manages.

This proposal concerns the first instalment of contributions for 2008. Under Article 38(2) of the 9th EDF Financial Regulation, the schedule decided for this instalment is as follows: (1) the Commission presents its proposal by 15 October at the latest, with the communication containing a statement of the payments to be made in the following financial year and the schedule of calls for contributions; (2) the Council decides on the instalment by the end of the year; (3) the Member States pay the contributions due under this instalment by 21 January 2005.

Note that Article 40(4) of the 9th EDF Financial Regulation stipulates that a Member State which fails to pay the instalment of contributions due by the deadline will be required to pay interest on the amount unpaid; the arrangements for the payment of interest are specified in the same Article.

Note finally that, if the Council does not adopt the amount proposed by the Commission for the 3rd 2007 instalment, the first 2008 instalment should be increased accordingly to make up the shortfall.
