EXPLANATORY MEMORANDUM

Since the entry into force of the Financial Regulation for the 9th European Development Fund (EDF) the Council decides, on a proposal from the Commission, on each of the three instalments to be paid by the Member States. In the case of the 9th EDF instruments managed by the European Investment Bank (EIB), the Member States pay their contributions directly to the EIB. The contributions for other instruments are paid to the Commission.

In accordance with Article 121 of the 9th EDF Financial Regulation, the EIB has sent the Commission its updated estimates of commitments and payments under the instruments it manages.

This proposal concerns the second instalment of contributions for 2007. Under Article 38(2) of the 9th EDF Financial Regulation, the schedule decided for this instalment is as follows: (1) the Commission submits the proposal to the Council by 15 June; (2) the Council decides on this instalment within 21 calendar days following the Commission's presentation of its proposal; (3) the Member States pay the contributions due under this instalment within 21 calendar days of the date on which the Council's decision is notified to them.

Note that Article 40(4) of the 9th EDF Financial Regulation stipulates that a Member State which fails to pay the instalment of contributions due by the deadline will be required to pay interest on the amount unpaid; the arrangements for the payment of interest are specified in the same Article.
